

## SENIOR DAY RECOGNITION & PROMOTION

Senior Day celebrations vary by team. For those who are planning Senior Day events, below are some useful pointers and resources. Be sure to work with your coach and the Athletic Department to avoid any conflicts.

Boosters can help you plan and execute your Sr day but CCSD and Boosters do not fund it. We do fund the end of year Senior Awards Recognition Ceremony (See separate Info on this event). Banners, balloons and other items teams choose to purchased for these celebrations can add up. Please think about what your expenses will be for this event when calculating team dues, if you have them.

### PUBLICIZING YOUR TEAM'S SENIOR DAY

- Be sure to include your Senior Day Game details in the weekly Boosters Blast prior to your Senior Day Event to get the word out.
- Announce your team's Senior Day event on Sports Boosters Social Media outlets: Facebook, Twitter and Instagram. Your social media liaison can do this or send the details to [president@greeleysportsboosters.org](mailto:president@greeleysportsboosters.org) and we will post it for you. An image in addition to text will help ensure your information is noticed.
- Have your coach post details ahead of time on SportsYou and your team's social media pages.
- Ask our Athletic Department to share the information on the Greeley Athletics social media pages. Contact: Athletic Director, Jamie Block [Jablock@chappaquaschools.org](mailto:Jablock@chappaquaschools.org)
- Contact Stacey Reynolds [reynold2@optonline.net](mailto:reynold2@optonline.net) who can help you share the information with the town Youth Organization for your sport and the modified teams.

### RESOURCES

- **Source for Decorations:** Many teams produce individual senior player banners, "fan faces", signs, balloons, etc. Minuteman Press in Mt. Kisco Steve Young (914)241-8181 [syoung@mmpmtkisco.com](mailto:syoung@mmpmtkisco.com) have been one source used by teams for many items and have all team logos. If using another vendor check to make sure they are using current logos.
- **Photography:** Most teams have someone photograph the event. Student or parent photographers are an option chosen by some teams as well as a professional photographer. Christina Schoonmaker and David Taber are two photographers used by Greeley teams.
