Welcome: Laura Brail

Spring Family ID shows \$4000 for February-March plus another \$200 after the close on Monday.

Update on grant proposal for Twin Oaks:

Laura explained the background that the property was purchased for \$2 million by the Wachtel/Zabar family. When all debts were paid, there was \$1.4 million left to be put back into the town. Jason Semo needs \$600,000 to push his fitness center initiative through, including a new fitness center, a mind-body-spin studio, a jumbo video screen and a reorganizational of the basketball courts in the main gym, restructuring of the trainers office and athletic department office,

Jane asked if there would be a tech update (better cell and wifi service).

Jeff Dorst said Josh Block has not returned his calls.

Financials: Cindy Greenstein

Latest financials presented and distributed

Still money in the turf account which Laura Brail said Jason will use for a new piece of equipment for turf field C.

President's Update: Laura Brail

Rainbow lettering is opening an all sport online store for Greeley wear. There is desire among some athletes who don't want the general public to be able to get the same official gear that they are getting as a part of the team. This can be solved via a password protected area for team members only.

Opening of the site will be announced this week.

Purchases can be used as a fundraiser where money could be put towards coach apparel. Most team coaches have to buy the apparel themselves.

Bylaws will be voted on next month.

Events - Karen Yarasavage

Not sure if we are doing a Spring spirit event like we did last year. It seems to be a low priority and scheduling is not working out to enable this.

Senior Dinner - Diane Thaler

Date has been changed because of the Governor's Ball conflict and to bring the event into the overall Senior Week Activities. New date is Monday June 11 at the Marriott (during Senior Week.)

We are doing a Paperless Post invite and saving \$420.00.
Envelope is \$60- Jeff Dorst put cash on the table for this.

Logo cookie favor is out, saves \$150.

Upgrades and new expenses include shadow boxes for the varsity letters \$19 each.
This was voted on and unanimously accepted.

Program shown from Jason's old school. He would like to do the same thing here. Not in the budget. We will plan to do a black and white version of the program. If one is given to each student it will cost approximately \$350, and if given to each attendee then it will be closer to \$900.

Idea: AP photo student to take pictures or use class pictures. Unanimous vote to do a black and white program book.

Jason's budget will cover the cost for an MC, and no coaches will talk at the event.

Awards are still being discussed and Kyle Hosier is in the process of narrowing down the Tom Whalen Memorial Scholarship.

Suggestion for a winner from each season, Male and Female. Call the athletic department awards.

Montage will be broken down by season.

Website - Jeff Dorst

There have been no hacks in 4-5 weeks.

Family ID is closed and Julia will do the thank you's.

Bylaws are almost ready.
